→ starting to discuss more in group

→ I need to work with him on staying focused and in discussion

→ They want to read more, want it seem that we will be missed
 → Dominates most of the conversation, tried to work on sharing everyone's opinions.

WORKS
 Great group picks great things straight

He does not speak over the other team

I will work on making sure everyone's opinion heard.

Really improved
 spending ideas
 but I think will really do as protagonist because

He still gets distracted
 went to the bathroom
 and out of his seat lol.

Very animated
 in discussion

I have great seen improvement in his focus

I have never seen her so excited about reading. She is really getting into the book & participating in the group.

Every time she discussed she uses a quote from the book to back it up. See Reflecting log for quote. Wow!
